**Re: LWG Disposal of Archive Samples (Lower Willamette River, Portland Harbor  
Superfund Site, USEPA Docket No: CERCLA-10-2001-0240)**

Chip and Eric:

This letter is to confirm that the Lower Willamette Group (LWG) is providing some of the expired samples to the Natural Resource Trustees and disposing of the rest (see attached letter to Trustees). The lease expires on November 30, 2009, so we will begin the process of disposing of the samples on November 15, 2009.

Please let me know if you have any questions or concerns.

Sincerely,

A handwritten signature in blue ink, appearing to read "Bob Wyatt", is written over a light blue horizontal line.
